

January 21, 2020

Board of Public Works & Safety  
20 N. 6<sup>th</sup> Street  
Lafayette, IN 47901

Re: Permission to Advertise

On behalf of Lafayette Renew, the Water Works Plant and the Parks Department, a request is being made to advertise for sealed bids for the following chemicals:

Sodium Hypochlorite, Sodium Bisulfite, Ferric Chloride, Hydrochloric Acid and Buffered  
Muriatic Acid (Acid Magic®)

A motion has been made and seconded to accept the request to advertise for sealed bids for the aforementioned chemicals.

The Board of Public Works and Safety has approved this request all on this 28<sup>th</sup> day of January, 2020.
